## EDUCATION

Ph.D., *The University of Texas at Austin*, Psychology: 1997  
Area concentration: Evolutionary Psychology  
M.A., *The University of Michigan*, Psychology: 1995  
Secondary concentration in Multivariate Statistics  
B.A., *The University of New Mexico*, Psychology: 1993  
Summa Cum Laude, with Honors in Psychology

## EMPLOYMENT

2010-Present            Distinguished Professor (appointed 2016) and Chair of Psychology  
Founding Co-Chair, Ph.D. and M.S. Programs in Psychology (2012)  
Founding Member, Center for Social and Behavioral Research (2011)  
*Oakland University*

2007-2010            Professor of Psychology  
Founder and Chair, Ph.D. Program in Evolutionary Psychology  
*Florida Atlantic University*

2002-2007            Associate Professor of Psychology  
Founder and Chair, Ph.D. Program in Evolutionary Psychology  
Co-Coordinator of the Graduate Program in Psychology (2002-2005)  
*Florida Atlantic University*

1997-2002            Assistant Professor of Psychology  
*Florida Atlantic University*

## LOCAL, NATIONAL, AND INTERNATIONAL HONORS AND AWARDS

*Distinguished Professor*, appointed by Oakland University Board of Trustees, on recommendation of President George Hynd and Senior Vice President for Academic Affairs and Provost James Lentini (2016)  
*Secretary/Archivist, Executive Council Member*, Human Behavior and Evolution Society (2015-2018, elected by Membership; re-elected 2018-2021)  
*Invited Nominator*, 2017 Kyoto Prize in Basic Sciences (*Evolution, Behavior, Ecology, Environment*). Invited on the basis of “highly respected contributions particularly in this field.”  
*Member, Scientific Committee, Congress on Evolutionary Psychology*, Istanbul, Turkey (2018).  
*Member, Standing Review Board, Hong Kong Humanities and Social Sciences Panel of the Research Grants Council, University Grants Committee* (appointed 2015).  
*Fellow, Midwestern Psychological Association*. Elected for substantial scientific contributions (2012).  
*Fellow, American Psychological Association*. Elected for substantial scientific contributions (2011)  
Division 6 (Behavioral Neuroscience and Comparative Psychology, 2011)  
Division 3 (Experimental Psychology, 2013)  
Division 1 (Society for General Psychology, 2014)

Division 8 (Society for Personality and Social Psychology, 2016)  
*Fellow, Association for Psychological Science.* Elected for substantial scientific contributions (2009).  
*Fellow, International Association for Research on Aggression.* Elected for substantial achievements in research on aggression and violence (2005).  
*Associate Researcher, Pinel Institute, University of Montreal, Canada* (appointed 2009).  
*Council Member at Large, Human Behavior and Evolution Society;* elected by Society membership to 5-year term (2009-2014).  
*Founder's Day Award for Research Excellence, Oakland University.* Nominated by College of Arts and Sciences Dean Ronald Sudol (2012).  
*Faculty Member of the Year, Florida Atlantic University, Broward campuses.* Student nominated; in recognition of outstanding teaching and service to students (1999, 2003).  
*Undergraduate Advisor of the Year, College of Liberal Arts, Florida Atlantic University.* Recognizes outstanding teaching and service to undergraduate students at Florida Atlantic University (2002).  
*International Society for the Study of Individual Differences Early Career Development Award.* Presented for outstanding, early-career accomplishments in research personality and individual differences (2001).  
*Researcher of the Year, Assistant Professor Rank, College of Liberal Arts, Florida Atlantic University* (2001, 2002).  
*Full Membership in Sigma Xi, The Scientific Research Society.* Elected by academic peers (2001).  
*Distinguished Teacher of the Year, College of Liberal Arts, Florida Atlantic University.* In recognition of outstanding teaching and service to students (2001).  
*Award for Excellence in Undergraduate Teaching, Florida Atlantic University, College of Liberal Arts.* In recognition of outstanding teaching to undergraduate students at Florida Atlantic University (2001).  
*Award for Outstanding Service to Students, Florida Atlantic University, Broward Volunteer Services* (2001).  
*Associate Member, Behavioral and Brain Sciences* (1999).  
*Outstanding Professor, in Recognition of Service to Broward Psychology Association.* Awarded by the Florida Atlantic University Psychology Association (1997, 1999).  
*George R. Miller Award for Early Career Achievement,* awarded by the International Network on Personal Relationships (1998).

Co-Organizer (with Virgil Zeigler-Hill) of Evolutionary Perspectives on Death conference at Oakland University; hosted scholars from North America, South Africa, and Europe to discuss evolutionary perspectives on death, April 2018.

Guest on “Focus on Faculty” television interview with Oakland University TV; discussed research and role as faculty at Oakland University, January 2018.

Guest on “The Sex Guy” podcast, hosted by evolutionary scientist Nick Harding (<http://www.tpok.network/shows/sex-guy/>, episode 6); discussed human sperm competition research and theory; January 2018.

Invited lecture, Department of Philosophy, Philosophy Club, Oakland University. “When we hurt the one’s we love: Predicting violence against women from men’s mate retention,” March 2017.

Co-Organizer (with Virgil Zeigler-Hill) of The Evolution of Psychopathology conference at Oakland University; hosted scholars from North America, South America, and Europe to discuss evolutionary perspectives on psychopathology, April 2016.

Invited lecture, Department of Philosophy, Oakland University. “The Evolution of Morality,” January 2016.

Organizer of visit by Dr. Doug VanderLaan (U Toronto) (visit included lunch with undergraduates, dinner with graduate students, public lecture, guest lecture to undergraduate course, guest in graduate seminar), October 2015.

Invited Guest, Inaugural Oakland University Honors College Summer Experience for High School Students, “Meet the Professors” morning; July 2015.

Guest, with Dr. Viviana Weekes-Shackelford, on “Here we are,” podcast with comedian Shane Mauss (<http://www.herewearepodcast.com/>, episode 22); discussed evolutionary psychology, recent and current research, March 2015.

Guest on “Here we are,” podcast with comedian Shane Mauss (<http://www.herewearepodcast.com/>, episode 9); discussed evolutionary psychology, recent and current research, January 2015.

Organizer of visit to Oakland University by David Benatar (University of Cape Town) (visit included lecture, graduate student discussion and lunch, dinner with faculty and administrators); sponsored by Department of Psychology, Department of Philosophy, and Philosophy Club, December 2014.

Invited lecture, Department of Psychology, Grand Rapids Community College, Distinguished Speaker Series. October 2014. Lecture delivered to college faculty, staff, and students.

Co-Organizer (with Randy Hansen) of Evolution of Morality conference at Oakland University; hosted scholars from North America, Europe, and Africa to discuss evolutionary perspectives on morality, March 2014.

Invited lecture, Department of Psychology, Oakland University, “Lunch Bunch” series, January 2014.

Invited lecture, special series: “A Social Science Perspective on Aggression and Violence: Causes and Prevention” sponsored by the Research Center for Group Dynamics at the University of Michigan Institute for Social Research, September 2013

Organizer of visit to Oakland University by Jerry Coyne (University of Chicago) (visit included lecture, graduate student discussion and lunch, dinner with faculty and administrators, special visit to Organization for Bat Conservation), April 2013

Co-Organizer (with Randy Hansen) of Evolution of Sexuality conference at Oakland University; hosted scholars from US and Europe to discuss evolutionary perspectives on sexuality, March 2013.  
 Oakland University Psi Chi 2012 Induction Ceremony (Keynote address)  
 Organizer, student discussion with Steven Pinker, Oakland University Varner Vitality Series Lecturer, April 2012  
 Co-Organizer (with Randy Hansen) of Evolution of Violence conference at Oakland University; hosted scholars from around the country to discuss evolutionary perspectives on violence, April 2012.  
 Co-Organizer (with Randy Hansen) of visit to Oakland University by Richard Dawkins, Elizabeth Cornwell, and Sean Faircloth (visit included lecture, student discussion and lunch, dinner with faculty and administrators, reading to children, special visit to Detroit Zoo), October 2011  
 Center for Inquiry-Michigan, Grand Valley State University, Allendale, MI (speaker), 2011  
 Darwin Day 2011, Oakland University (speaker)  
 Harriet M. Wall Department of Psychology Lecture Series, The University of Michigan-Flint, 2011  
 R-evolutions: Celebration of Darwin, 2009, University of Central Oklahoma, Edmund, OK (Plenary address)  
 Darwin Day 2008, Broward County, Florida (Keynote address)  
 Nova Southeastern University Psi Chi 2008 Induction Ceremony (Keynote address)

## **GRADUATE STUDENT THESES CHAIRED TO COMPLETION**

### *Doctoral Dissertations*

Austin J. Jeffery (2017), "Human male homosexuality and alternative reproductive tactics: The Satellite Hypothesis"  
 Michael N. Pham (2016), "The evolutionary psychology of oral sex"  
 Yael Sela (2016), "Stay with me: Women's mate retention psychology"  
 Lucas D. Schipper (2016), "Hey God, it's me: Development and Initial Validation of the Personal Prayer Content Scale (Co-Chair, Robin R. Vallacher, Psychology, Florida Atlantic University).  
 Gregory Gorelik (2015), "The effect of competition on men's sexual psychology and attitudes towards rape" (Co-Chair, David F. Bjorklund, Psychology, Florida Atlantic University)  
 Farnaz Kaighobadi (2011), "Evolutionary psychological perspectives on individual differences in men's partner-directed violence in the context of perceived partner infidelity" (Co-Chair, David F. Bjorklund, Psychology, Florida Atlantic University)  
 William F. McKibbin (2010), "Women's rape avoidance: An evolutionary psychological perspective"  
 Valerie G. Starratt (2008), "Risk of female infidelity and male sexual coercion in intimate relationships: An evolutionary psychological perspective"  
 Alastair P. C. Davies (2008), "Sex wars: Evolved psychological sex differences and sexual conflict in the contexts of infidelity, persuasion, and hip-hop song lyrics"  
 Aaron T. Goetz (2007), "Sexual coercion in intimate relationships: An evolutionary perspective informed by sperm competition theory"  
 Richard L. Michalski (2005), "An evolutionary psychological approach to the study of sibling influences"  
 Mandy E. Miller (2004), "The Cinderella effect: The psychological bases and mental dynamics of step-parental ambivalence" (Co-Chair, Robin R. Vallacher, Psychology, Florida Atlantic University)

### *Masters Theses and Projects*

Derek Mohamedally (2018), "Evolutionary perspectives on human female sexual fluidity"  
 Adam Tratner (2017), "Fear the unseen: Hyperactive agency detection and belief in the supernatural"  
 Stacy Memering (2017), "Reconsidering monogamy: A review of non-monogamous partnerships and comparisons in current literature"  
 Nicole Barbaro (2017), "The target of male mate guarding behavior is predicted by the initiator of infidelity"  
 Austin John Jeffery (2016), "Cultural experiences and homosexual expression in Western men"  
 Zachary D. Willockx (2016), "Context-specific moral reasoning"  
 Nicole K. Kirstner (2016), "Online mate retention: Implications for cost-inflicting and benefit-provisioning behaviors"  
 John N. Arvanitis (2014), "Memetics and cultural transmission from an evolutionary perspective"  
 Mark G. McCoy (2014), "Development of the Reasons for Pretending Orgasm Inventory"

Samantha Murphy (2005), "Relationship experience as a predictor of jealousy"

Brian J. Quintus (2005), "Sex differences in sexual psychology produce sex-similar preferences for a short-term mate"

Emily A. Stone (2005), "Sex differences and similarities in preferred mating arrangements"

Amanda Hitchell (2004), "Sex ratio and crime: A cross-cultural investigation"

## **UNDERGRADUATE HONORS STUDENT THESES CHAIRED TO COMPLETION**

Carrie Clements and Richard Stern, (2006), "On-line infidelity as a predictor of domestic violence: A contemporary evolutionary perspective on one facet of mate retention"

Daniel P. Russell (2004), "A preliminary investigation of siblicide as a function of genetic relatedness"

Shanna L. Beasley (2003), "An exploratory analysis of the contexts and circumstances of filicide-suicide in Chicago, 1965-1994"

Andrew Anderson (2002), "Psychological predictors of domestic violence"

Noelia Breitman (2002), "Couple age discrepancy and risk of intimate partner homicide"

Amy L. Benimoff (2001), "Sexual behavior among people with cerebral palsy"

Richard L. Michalski (1998), "Birth order and sexual strategy"

## **COURSES TAUGHT**

### **Undergraduate**

Evolutionary Psychology, Research in Evolutionary Psychology, Advanced Evolutionary Psychology, Comparative Animal Behavior, Science and Superstition, Social Psychology, Personality Psychology, Experimental Design and Statistical Inference, Human Sexuality, Interpersonal Processes, Evolution and Animal Behavior

### **Graduate**

Comparative Animal Behavior, Evolutionary Psychology, Evolution of Human Sexual Psychology, Evolutionary Psychology of Religion, Darwin's Writings, Proseminar in Social and Behavioral Processes, Evolutionary Psychology and Animal Behavior, Current Directions in Evolutionary Psychology: Human Sperm Competition, Current Directions in Evolutionary Psychology: Genocide

## **RESEARCH GRANTS AND CONTRACTS (total = approx. US\$1,070,000)**

*Oakland University Office of the President, Office of the Senior Vice President for Academic Affairs and Provost, Office of the Dean of College of Arts and Science.* Evolutionary Perspectives on Death Interdisciplinary Conference. Awarded to Todd K. Shackelford. Total funds awarded: \$50,000 (2017-2018).

*Oakland University Office of the President, Office of the Senior Vice President for Academic Affairs and Provost, Office of the Dean of College of Arts and Science.* The Evolution of Psychopathology Interdisciplinary Conference. Awarded to Todd K. Shackelford. Total funds awarded: \$50,000 (2015-2016).

*Center for Biomedical Research, Research Excellence Fund, Oakland University.* Sperm Competition in Humans

- (*Homo sapiens*). Awarded to Lisa Welling (PI), Virgil Zeigler-Hill (Co-PI), and Todd K. Shackelford (Co-PI). Total funds awarded; \$11,400 (2015-2016).
- Provost's Graduate Student Research Award, Oakland University*. Sperm Competition in Humans. Awarded to Michael N. Pham, Ph.D. student (Todd K. Shackelford, advisor). Total funds awarded = \$2,000 (2015-2016).
- Oakland University Office of the Senior Vice President for Academic Affairs and Provost, Office of the Dean of College of Arts and Science, Office of the Vice Provost for Research*. The Evolution of Morality Interdisciplinary Conference. Awarded to Todd K. Shackelford. Total funds awarded: \$40,000 (2013-2014).
- Oakland University Office of the Senior Vice President for Academic Affairs and Provost, Office of the Dean of College of Arts and Science, Office of the Vice Provost for Research*. Sperm Competition in Humans. Awarded to Todd K. Shackelford. Total funds awarded: \$18,750 (2012-2013).
- Oakland University Office of the Senior Vice President for Academic Affairs and Provost, Office of the Dean of College of Arts and Science, Office of the Vice Provost for Research*. The Evolution of Sexuality Interdisciplinary Conference. Awarded to Todd K. Shackelford. Total funds awarded: \$40,000 (2012-2013).
- Oakland University Office of the Senior Vice President for Academic Affairs and Provost, Office of the Dean of College of Arts and Science, Office of the Vice Provost for Research*. The Evolution of Violence Interdisciplinary Conference. Awarded to Todd K. Shackelford. Total funds awarded: \$40,000 (2011-2012).
- Government of Romania, Executive Unit for Financing Superior Education, Research and Innovation*. Darwinian Psychotherapy: A Clinical Trial for an Evolutionary-Driven Type of Intervention for Depression. Awarded to Cezar Giosan, PI (Berkeley College, NY; City University of New York; Weill Medical College of Cornell University). Total funds awarded: 395,122 Euros (approx. US\$544,812) (2011-2014).
- Oakland University Office of the Senior Vice President for Academic Affairs and Provost, Office of the Dean of College of Arts and Science, Office of the Vice Provost for Research*. Establishing an evolutionary psychology laboratory. Awarded to Todd K. Shackelford. Total funds awarded: \$50,000 (2010-2013).
- Government of British Columbia, Canada, Expert Witness retained by Amicus Curiae (by the firm Farris, Vaughan, Wills & Murphy LLP, appointed by the Court to serve as Amicus)*. Contracted to serve as expert witness for Government of British Columbia, BC Supreme Court No. S-097767, Vancouver Registry, regarding constitutionality of criminalization of polygamy (s. 293 of the *Federal Criminal Code of Canada*). Total funds awarded: \$60,000 (2010-2011).
- Max Planck Institute for Human Development (Germany)*. Ovulatory Cycle Effects on Women's Attention, Memory, and Risk Taking Behavior. Awarded to Farnaz Kaighobadi/Dr. Todd Shackelford to fund collaborative research. Total funds awarded: \$1000 (2009-2010).
- Verona University (Italy) Pre-Doctoral Research Fellowship*, awarded to Massimo Agnoletti/Dr. Todd Shackelford for six months abroad to study and conduct research in evolutionary psychology with Dr. Todd Shackelford. Total funds awarded: \$10,278 (2005-2006).
- State of Colorado, Expert Witness for Public Defender's Office*. Contracted to serve as expert witness on case of double filicide (child-killing). Total funds awarded: \$8,000 (2003-2004).
- The Woodhill Foundation*. Sex Ratios and Mating Psychology and Behavior. Investigated relationship of sex ratio to various indices of mating psychology and behavior. Total funds awarded: \$75,000 (2001-2003).
- Florida Atlantic University, College of Liberal Arts Travel Award*. Ethics in Research. Funds provided for participation (invited after peer-review of application) in workshop on ethics in research, organized by National Institutes of Health. University of South Florida, Tampa. Total funds awarded: \$1,204 (2001).
- The Woodhill Foundation*. Sex Ratios and Demographic Trends. Investigated relationship of sex ratio to various demographic trends and variables, such as spousal homicide, rape, divorce, and marriage. Total funds awarded: \$20,806 (2000-2001).
- Foundation for the Scientific Study of Sexuality Grant-in-Aid*. Sexuality in Romantic Relationships: A Daily Diary Study. One year pilot study of 5 married couples including one-month daily assessments of sexual beliefs and practices. Total funds awarded: \$500 (2000-2001).
- Florida Atlantic University Research Initiation Award*. Conflict in Romantic Relationships. Investigated jealousy, infidelity, mate retention, physical violence, psychological abuse, and sexual coercion in the relationships of 100 male batterers and their female partners. Total funds awarded: \$4,931 (1999-2002).
- National Institute of Mental Health*. Sexuality in Romantic Relationships. One year study of 45 married couples, including one-month daily assessments of sexual beliefs, behaviors, and desires. Total funds awarded: \$34,625 (1999-2002).

### **Professional and Institutional Committee Membership**

Co-Chair, Human Behavior and Evolution Society Committee to Review Codes of Conduct (2018-Present),  
appointed by Co-Presidents Elizabeth Cashdan and Doug Kenrick  
Member, Review Committee, Center for Biomedical Research, Research Excellence Program, Oakland University,  
appointed by Brad Roth (Director) (2018).  
Member, Scientific Committee, Congress on Evolutionary Psychology, Istanbul, Turkey (2018).  
Member, University Committee on Undergraduate Instruction, Oakland University, appointed by appointed by James  
Lentini, Senior Vice President for Academic Affairs and Provost (Fall 2017, sabbatical replacement)  
Chair, Human Behavior and Evolution Society Lifetime Achievement Award Committee (2016-2017)  
Faculty Member, Violence & Abuse Resource Consortium (VARC), Oakland University (2015-Present)  
Member, Search Committee for Associate Vice President for Research, Oakland University, appointed by James  
Lentini, Senior Vice President for Academic Affairs and Provost (2015-Present)  
Member, Animal Behavior Society Public Affairs Committee (2015-2018), appointed by President Emilia Martins  
Member, Oakland University Strategic Planning Committee (Research Committee), appointed by President George  
Hynd and Vice President for Organizational Development and Strategic Planning Betty Youngblood (2015-  
Present)  
Secretary/Archivist, Executive Council Member, Human Behavior and Evolution Society (2015-2018, elected by  
Membership; re-elected 2018-2021)  
Member, Animal Behavior Society Membership Committee (2014-2017), appointed by President Dan Rubenstein  
Member, Human Behavior and Evolution Society Early Career Award Committee, appointed by President Ray  
Hames (2014)  
Member, College of Arts and Sciences College Theme Committee, Oakland University, appointed by Dean Kevin  
Corcoran (2014-2015)  
Chair, College of Arts and Sciences Graduate Studies Committee, Oakland University, appointed by Acting Dean  
Tamara Jhashi (2012-2013)  
Chair, Search Committee for College of Arts and Sciences Dean, Oakland University, appointed by Interim Senior  
Vice President for Academic Affairs and Provost Susan Awbrey (2012-2013)  
Member, Oakland University Honorary Doctorate Committee, appointed by Associate Provost Michele Piskulich  
(2012-2015)  
Member, Oakland University College of Arts and Sciences Graduate Studies Committee, appointed by Dean Ronald  
Sudol (2011-2013)  
Member, Oakland University Institutional Animal Care and Use Committee (Fall, 2010), appointed by Gary D. Russi,  
President of Oakland University  
Chair, Membership and Growth Committee, American Psychological Association, Division 6 (Behavioral  
Neuroscience and Comparative Psychology), Appointed by President Gordon Burghardt (2010-2013)  
Executive Council Member, Human Behavior and Evolution Society (2009-2014, elected by membership)  
International Association of Relationship Research Future Conferences Committee (2007-2009)  
Co-Chair, Program Committee, Human Behavior and Evolution Society (2004-2005)

Conference Session Chair, Human Behavior and Evolution Society (2005)  
Conference Session Co-Chair, Human Behavior and Evolution Society (2003)  
Co-Chair, Newsletter Committee, Homicide Research Working Group (1999-2004)  
New Contributions Subcommittee, International Association for Relationship Research (2000-2002)  
Conference Session Chair, Human Behavior and Evolution Society (1999)  
Conference Session Chair, Homicide Research Working Group (1999)  
Networking Committee, Homicide Research Working Group (1998-2004)  
Publications Committee, Homicide Research Working Group (1998-2004)
